

# Fundraiser & Auction

Tokara Deli 22 November 2017

# The Stellenbosch Trail Fund is proud to present our third annual Fundraiser & Auction! Join us on 22 November at Tokara Deli.

## Why Support the Stellenbosch Trail Fund?

The Stellenbosch Trail Fund is a non-profit organisation (NPO) which, amongst other projects, makes a key contribution to building and maintaining the hiking and biking trails in the Greater Stellenbosch area. These trails are an integral part of our town's tourist attractions and not only provide employment and skills development opportunities but also expand markets and provide support for local businesses to thrive.

Our ever-expanding trail network is also subject to a huge amount of wear and tear by mountain bikers and environmental conditions and our annual auction is our principal fundraiser for the work done on the trails. Staffed and supported by enthusiastic volunteers who have a passion for the great outdoors and our town and the people in it, the Fund needs your support to continue making a difference!

## Our Year in Review

2017 has seen large scale improvement on several of our trails and in addition to the annual R60 000 spend to keep G-Spot one of the prime spots in the country, a further R120 000 has been laid out for trail maintenance in the last year.

Our stewardship of Eerste River under the Stellenbosch Municipality initiative has had another highly successful year in partnership with fellow NPO Wildlands. In addition to our joint work with Wildlands, the STF has a team of permanent employees who clean the river and the riverbanks of rubbish and litter, as well as assisting

in clearing alien invasive plants and building riverside trails. This work has been given significant impetus with the full time use of a sponsored LandRover.

And after another successful Bartinney2Bartinney trail race, co-organised with Amojja, we are expanding our trail run event offering in 2018 – keep your eye on our Facebook page for the lowdown on our new Shadow Run and an improved River Run in 2018. Full details will also be available in the new year on our new website, which thanks to generous corporate sponsorship is currently undergoing a major rejuvenation.

None of the work completed over the last year would have been possible without funds raised through private and corporate donations

and local fundraising events, of which our annual fundraiser and auction is a key part.

### What's on Offer this Year?

Your R120 ticket buys you entry to the event and includes beer, wine and snacks, not to mention enjoyment of one of the best views in Stellenbosch!

Once again the Trail Fund's fundraising team has gone to great lengths to bring you a stunning collection of art and "experiences", as well as the ever popular cycling items, which will be auctioned on the night.

And if that's not enough, there is an awesome Raffle with incredible wines, meal vouchers and treatments on offer.
